**PROPOSED AMENDMENT AFTER FINAL**

Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Advisory action dated December 16, 2002, please consider the following amendments and remarks. In view of these amendments and remarks, Applicants respectfully request favorable reconsideration of the claims.

AMENDMENTS

In the Claims:

Please amend claims 1, 8, 14, 18, 22, and 24 to read as follows:

1. (Once Amended) A system for linking to a document, comprising:
- a document model, representative of the document, having a plurality of data structures representative of components within the document, wherein the document is an XML document; and
  - a thumbnail image registered with the document model using XML tags of the XML document such that selected coordinates within the thumbnail image are each mapped to a data structure selected from the plurality of data structures.
